Docket No. 98N-1265

Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I am a Physician and prescribe
compounded medications for my patients
who mail order from Madison Pharmacy.
I also obtain my hormone medication
from Madison Pharmacy. They compound
certain medications I cannot get for
my patients locally. It would be
DISASTROUS both for my patients and myself
if the proposed bill is passed.
